Allgood Plumbing	James Nuckles	678-9576454		Janet Pfeiffer	I have used them several times for big jobs and they have always been wonderful and inexpensive
Coolray/Mr Plumber		770-421-8400	www.coolray.com	Cathy Johnson	Did great septic work on two of our homes (one an emergency weekend job – did not charge extra for weekend work). Nice, professional guys (septic work is <i>not</i> nice work!). Also replaced TMP valve on water heater – fast response, very professional, seemed reasonably priced. Get 10% off if book online.
D.T. Whaley Plumbing	Tim Whaley	H: 770-717-1875/ Cell: 770-843-2894		Michael Freeman	Great work, very thorough, honest, very reasonable pricing!
Holland Plumbing, HVAC, & Electric	Troy Holland	770-256-8940		Rick Callihan	Plumber for Dunwoody Park (Rick Callihan) Troy has done many jobs for me. He's my go-to guy for plumbing.
Jsquard Plumbing	Roderick or Cory	404-545-7295	www.j2plumbing.com	L. Frohman	I know this sounds crazy but I loved the plumbers at this company and unfortunately for us we have had to spend some quality time with them including have a pipe in our front yard replaced 11ft down and they were fair and honest!
Long Plumbing	Russell Long	770 429-8110		 Anne West	Trustworthy and reliable and can respond quickly.
Morgan's Sewer and Drain	Claude Morgan	678 471 8513		 & D. Sumner	Great, reliable, honest Trustworthy and reliable. Highly recommended for household jobs.
Ovbey Plumbing	Mike Ovbey	770-458-8256			
Plumb Works	Clint Van Zant	404-524-1825	www.plumbworksinc.com	Kim Bertschi	I have used him twice now and happy with results, manners, cleanliness, etc. They do have a fee to come out and give an estimate, which isn't my favorite policy, but I used another outfit recently for that reason and ended up spending twice as much to get the work done right later on.
Plumbing by George	George Weltch	770-978-8825		M. Martin	George weltch is a master plumber and he is doing all of the plumbing on our basement renovation. He is very talented, detail oriented, fair and respectful of both the homeowner and their property. Plus he's just a genuinely nice guy. Couldn't be happier with his work
Puckette	David Puckette	W: (770) 614-7110 C: (404) 538-7686		J. Seconder	This guy is self-employed and does everything himself. No dishing out the work to unqualified people. He "cleaned up" a mess that another plumbing company did after I had my house renovated. Highly ethical and will do it right the first time.
Seagraves Plumbing		404-792-2221	www.seagravesplumbing.com	P. Worthington	I LOVE them especially if you live in fulton Co and have a septic tank. They are the best and it is family owned and operated!
TNT Plumbing	Terry Gross	(678) 618-1221		Lori Martell	We first used Terry in July 2009 when I had a sink that would not drain. He thought it would be a simple job and quoted me a price. It turned out to be "not so simple" and he only increased his initial estimate about \$100 over what he had first quoted even though the 90 minute job turned into about 6 hours over 2 days. He is a parishioner at All Saints and my parents and my in-laws have both used him for plumbing services, as well. He is quite reasonable and trustworthy.
Total Quality Services, Inc		770-925-3200	www.totalqualityservices.net	Nicole Tripp	This company does plumbing & HVAC for a number of people in our community and have been highly recommended

They are really terrific--They stick to their estimates and still cost about a third less than the other big plumbing cos. Expert, Professional, get there in a hurry and do the job quickly and efficiently.</p> <p>Liked him a lot</p> <p>Very low key, professional and honest</p> <p>3. Ted Zurn was very helpful when our sewer line from the street to the house got clogged with tree roots. He had his crew out right away and they did a good job of not messing up our yard (any more than it had to be).</p>
