Every year about 4,000,000 tiny miracles will need to stay warm, that’s why every mommie and daddy needs a BWANKIE-WANKIE tm, and they will not leave home without it.

BWANKIE-WANKIE tm is stylish! Great design and dazzling colors. Easy, economical, and total simplicity in a magic wrap. Warm and ultra luxurious, without extra weight.

How many times has grandmommie asked, “is the baby covered?” Now! In an instant, BWANKIE-WANKIE tm can easily slip on or off your buckled up baby. Generous shoulder tabs, roll-up sleeves, and extra length allow baby greater freedom, security, and “peace of mind” for grandmommie. At last your busy, independent baby can drink a bottle, play with a toy, hold a book, and stay covered with a BWANKIE-WANKIE tm.

No more winter coats to deal with in a heated car, pulling to a stop to unbuckle baby and remove a coat or unsecured blankets slipping away from baby’s warm body.
