| Amazon Cleaning | amazoncleaning.net 404-246-6550 | Tracey Baylin | Amazon Cleaning provides an excellent cleaning service. They are reasonably priced, send a weekly reminder via email, provide their own cleaning supplies and tools, and do a high quality job. They can do specialty services as well such as move cleanings. Even though it's a service, you have the same crew in your home week after week. |
| Annie's Cleaning/ Stephanie and Andrea | 678-663-1929 or 678-789-5594 | Lauren | They are awesome, young and very energetic self starters and my house has never looked better. They are reasonably priced and so great to work with. There's nothing like finding your toilet paper origamied into a beautiful flower or your daughter's bed beautifully decorated with her stuffed animals. They bring such a level of caring and a commitment to their cleaning and I feel lucky to have found them. |
| Blanca & Flor Cleaning Service | 404-867-1865 | Kristin K. | You can add my cleaning ladies to the list. They just went out on their own so are looking for business. I have used for many years. |

| Diana | 770-349-5871 | Laura | Diana is fully bilingual: English and Spanish. She is dependable, trustworthy and does an outstanding job. I have a 3500 square foot house and Diana keeps it looking fabulous every 2 weeks. She is also very affordable which is not always the case when you call some of these cleaning companies. Give her a call for an estimate! |
| Gleicys and Emanuel Fernandez | 678-368-6762 | Patty Moncrief | I wanted to give a strong recommendation for my house cleaners, Gleicys and Emanuel Fernandez. They are a wonderful Brazilian couple that I have used for about 6 years. They are extremely reliable, honest, bilingual and take personal pride in doing a great job. Once Emanuel asked if we had changed our air filter because he had noticed a little more dust than normal. Sure enough, we were due to change it! |
| Herminia Tabbs | 770-882-3729 | Denise Null | Herminia is a dynamo! She has been cleaning my home for ten years. I highly recommend her. |
| Ivan and Jill Fuentes | 678-366-0177 | Audra Anders | I've used their services every other week for as long as I can remember. They are very trustworthy and reliable and do a good job. Several of my close friends also use Ivan and Jill for their cleaning service. |
| Kelly Youssef | 404-285-1586 | L.O'Brien | I've used Kelly and Alex (female) for over 5 years. They are trustworthy, dependable, speak english and are comfortable with our pets. |
| Liberty Cleaning Company/ Greg Duhart | | Jane Newman/Dunwoody Prep | Dunwoody Prep has had the same cleaning company for over 20 years. This company is called Liberty Cleaning Company and is owned by Greg Duhart. Mr. Duhart is known all over the city as the best floor and carpet cleaner. He has many commercial clients who have been loyal to him throughout the years. He is an expert at refinishing, sanding and cleaning hardwood floors. He is also very reasonably priced. |
| Lubaba Ali | 770-939-7579 | Mindy | Lubaba Ali has been our housekeeper for about 15 years. If you hide ten cents in the couch, she'll find eleven cents and leave it on the counter. She is as honest as the day is long and has grown to become a member of our family. Lubaba's native language is Amharic, but her English is reasonably good. She is a hard worker and is as kind hearted as can be. Lubaba is available for childcare and party assistance in addition to housekeeping, plus her schedule is very flexible so she can fill many needs on little notice. She works for herself, not a service, so her price is more attractive than big company prices. |

| Maid Solution | 770-374-7341 http://www.maidsolution.net | Julie Porter | We have been using the Maid Solution for many years on the recommendation of a friend. They are a husband and wife team and they are wonderful. They treat us (and our dogs) like family and do a great job. They always come when they are supposed to and they are reasonably priced. I highly recommend the Maid Solution. |
| Make It Clean/ Ivy and John Pliss | 404-933-0441 | Lisa W. | I wanted to give you the info for the gal I have used for 13 years. Its a team of 3 people. They do an amazing job – even scrubs behind the toilet with a toothbrush AND wipes the fan blades. Now thats impressive! The only downside is that she is ALWAYS late, but she has a key to my house, so I dont really care. If she says 8:30, I write it down for 9:30. They clean for me every 2 weeks, but are flexible. |
| Maria Rubio | 404-707-1740 | Cindy | Housekeeper recommendation that I actually rec'd from the Chamblee folks and have used her for a few months. She has also cleaned several others homes that I know |
| Renatta | 678-485-9259 | Niki Rabren | My housekeeper is looking for more work in the Dunwoody area. She cleans many houses from Buckhead to Milton, but concentrating her clientele in Dunwoody would help her commute tremendously! She's been working for us for 8 years now, and she is amazing. After my twins were born, I had her come weekly and it's worth every cent! Please call her if you need help! |
| Roseangela | rosangela_1609@hotmail.com 678-668-5392 | Raine Hyde | We have used Roseangela for almost 7 years. We trust her completely, and she does a great job. Is flexible on pricing too. |

Ruby also runs errands, takes elderly people to doctor's appointments, meets workmen at your house and a variety of other helpful tasks. |
| Talita Scarpini | talitascarpini@hotmail.com | Eileen Roehl | I've been using Talita Scarpini. She is fabulous. |
