Arthur Painting	Arthur	Home: 770-279-1112 Cell: 770-309-5311		Sherie G	Arthur painted the exterior of my house this summer and did a super job! He pressure washed the whole house before he painted and found out that the back of the house was not primed before. He properly primed and painted the whole house. Whenever I was going to point something out to Arthur that I noticed, he had already gone back and corrected the issue! Very diligent and responsible. Arthur will be there when he says he will!
Barrett Painting	Greg Barrett	678-886-0257	<a href="mailto:barrettpainting@peoplepc.com">barrettpainting@peoplepc.com</a>	Dari	Greg is pleasant, responsible and thorough. When he painted our house, he had a devil of a time taking off our old wallpaper, but he stuck by his original price and made sure everything looked great. Kept things clean while he worked. Did our interior and exterior. Made the job a pleasure.
C.S.D. Contracting	Carlos Salaberry	678-754-0933		Jen	Carlos is the man! Had a quote in my mailbox the next morning and stuck to it. Finished the job in three days, worked on Sunday knowing our time limits.
Castillo Painting	Leonel Castillo	678-414-7875	<a href="mailto:castillopainting@att.net">castillopainting@att.net</a>	M Elizabeth Johnson	Castillo Painting is excellent. They return calls very quickly, give professional estimates, follow through with their promises and call when they will be late or need to reschedule (a common courtesy that is greatly overlooked these days). If I had more money in my pocket, I would have Leonel at my house doing a lot more painting, trim work and fixing up!

I appreciated the convenience of not having to run to the paint store. His rates are quite reasonable. I can't say enough about Mario and his crew.

Muro Painting	Ignacio Muro	770-241-4666	<a href="mailto:muropainting@comcast.net">muropainting@comcast.net</a>	James Barker	Muro Painting has done excellent interior and exterior painting for our family and for many of our neighbors. They are a small family business and really everything you could ask for in painters: very reasonable prices, good natured, excellent quality of work, and on time. Our neighbor across the street asked them to repaint his bay windows and they actually recommended an less expensive alternative – recaulk and touch up. They are good people and go the extra mile. I generally don't write reviews, but these guys are top notch.
Orlando Painting	Orlando	404-396-4704		Sydney Weaver	I have a name of a GREAT painter. He has been doing work (on various homes I have) for about 5 years. He is excellent! Has an excellent team and he is a perfectionist and trustworthy to the umph degree!
Paterinski Painting	Miladin Paterinski	Office: 678-513-6702 Cell: 404-784-6168		Bobbi Sedam:	Miladin Paterinski is an outstanding craftsman. His prices are quite reasonable but his work is truly artistic. He does indoor and outdoor painting. The most recent job he did for me was to repaint my outdoor deck with a deck stain that perfectly went with the brick I was trying to match.
Quiroz Painting		404-886-1962		Cari Lynn Dick	This is the painter I use on all my design jobs and my own home. He does interior and exterior painting, drywall repair, pressure washing, etc. His crew is awesome and trustworthy. Very reasonably priced and very clean. Very professional and reliable.
Shandon Painting	John P Murphy – Owner	678-441-0362 404-433-1402		Gina Marion	Residential, Commercial, Interior, Exterior. John painted both interior and exterior within 2 yrs and was an expert at staining our beautiful cedar back porch. He gave us a price and stuck to it both times we worked with him, no surprises or price increases. I trust him and even went on vacation for a week while he painted 1st & 2nd level interior. Everything was neat and clean when we came home. I highly recommend him; I wouldn't use anyone else.
