Cadwell, Micah Carry A Tune Music	Guitar	Email: info@carryatunemusic (.com) Phone: 404-428-9403	Carry A Tune Music has the BEST instructors and they come to your house! Micah Cadwell (owner) has been teaching my daughters guitar for the last two years and they are doing so well. They love learning and look forward to their lessons. Now that says A LOT! A friend of mine uses a Carry A Tune instructor for her daughter's piano instruction and she is really happy too. They also offer a FREE 30-minute trial lesson so you can be assured that you and your child are comfortable with the instructor before making any commitment. Because they come to your house, the lessons are much less stressful. No more fighting traffic or fighting kids to get their homework done so you can leave the house, etc. I can cook dinner, clean the house, or whatever, all while my kids are learning guitar. Love it! ~Beth Warner

Solem, Mary Ruth	Piano	Email: maryruth.solem@dunwoodyumc (.org)	I can not say enough wonderful things about Bryce's violin teacher, Alison James, and his piano teach, Mary Ruth Solem. Both are so positive and talented!~ Linda Weber
Solem, Mary Ruth	Piano	Email: maryruth.solem@dunwoodyumc (.org)	Jason has taken 4 1/2 years and Matthew 1 1/2 years from her. Having raised kids, she understands them well. I think she has a knack with boys too. I think she is a great balance between holding them accountable and realizing that they do not always have the time to perfect every piece. She is a great musician herself. Lessons Mon - Thurs are in the the DUMC church balcony. It is fun to be at church when it is empty and the piano/facility is nice. I think playing in a big hall like that makes it easy to then do the recitals there. She holds her May recital in the church sanctuary and the students prelude before the Christmas Eve services (highlight for parents). Only catch is she is usually booked by August for the next year. ~Ann Maurer
Suit, Will	Piano	Phone: 678-995-6041	In response to your request for piano teacher recommendations, I highly recommend Will Suit. I have been taking lessons from him for about one year. White, Jonathan	Piano	Phone: 770-668-9370	My 2nd recommendation is a brilliant junior in high school, Jonathan White, 770-668-9370 His home(in Deerfield) or yours. Lessons in fingering, technique and composition. Must have a basic ability to read music prior to his teaching. His list of honors is amazing: 2010 Florida International Piano Festival ChamPiano Competitor National Guild of Piano Auditions, superior rating Reflections Contest/musical composition 2009 Royal American Conservatory 1st class honors ~pbvillaci@comcast.net
