			Roof Rescue 911 completed a small job on my roof. The work was very good but expensive.	Dave Daniels
			Roof Rescue stopped by my house shortly after we moved in. After several roofers stopped by, Matt and Byron were the first I was impressed with. Shortly after, they replaced our entire roof. They were super easy to work with! Turns out, we had major hail and wind damage so Byron met with the insurance adjustor when it was scheduled by the adjustor. The insurance company picked up the tab! Thanks to Roof Rescue, we have a new roof and it looks GREAT! Thanks, Roof Resuce!!	Allison Klusmann

			Roof Rescue 911 fixed my roof this winter (January 2013) and they did a wonderful job both outside and inside where the water was leaking. They were professional, on schedule, and remained on budget. Their crew paid attention to every detail and exceeded my expectations. I thought their prices were fair especially for the level of customer service and the end product.	Meg Wallace
			In 2012, we noticed severe hail damage on our roof. Roof Rescue 911 worked with our insurance company to help us process the claim. Roof Rescue 911 then installed an entire new roof for us. It's beautiful, and we haven't had a single problem with it. They have an excellent crew and provide high quality work.	Alan Lewis
