| Appollon Auto Service | 2727 Shallowford Rd NE Atlanta, GA 30341 http://www.apollonauto.com/ | (770) 457-5868 | We have had good experience recently with Apollon on Shallowford near I85. They are a little further away but they were very reasonable and courteous. | Bill Willis |
| Budget Auto Paint | 4367 Buford Hwy Atlanta, GA 30341 | (404) 325-4875 | Ask for James does excellent work | Leslie Frohman |
| Dunwoody Chevron | 5465 Chamblee Dunwoody Road Atlanta, GA 30338 | (770) 396-0614 | Dunwoody Chevron is great! Anything from oil change to tire repair to major service, those guys do a wonderful job. | Anne West |
| Eddie's Automotive | 260 Mount Vernon Highway Northwest Sandy Springs, GA 30328 | (404) 252-0057 | I think he works on everything, and we have used him for a couple of years now. We recommend him to everyone. He is honest, and very affordable (he guarantees his work). He does all of the Sandy Spr. police squad cars. I read great things on Kudzu about him when we were trying to find a mechanic. He found \$500 cash in the dash of a customer's car that had been lost by her husband and Eddie returned it all to her when he found it. That sold me! | Jennifer |
| Euro Car Service | 1260 Dunwoody Village Pkwy Dunwoody, GA 30338 | (770) 671-8377 | Euro Car Service does all my Volvo care (other than rotating my tires). Lalo (the owner), has taken care of my Volvo for nine years now and I trust him completely. He never pushes me into fixing anything until it is absolutely necessary (gives me mileage estimates before I need new brakes, for example). I will not take my car anywhere else and they are conveniently located right next to Publix in Dunwoody. | Annemarie Madden |
| Far East Motors | 3288 Hardee Avenue Atlanta, GA 30341 (near Peachtree DeKalb Airport | (770) 451-2135 | For years we have taken our Hondas to Far East Motors for service and repairs. They have been Great! They work on Acuras as well. They are very reasonable, reliable, and don't try to do things that aren't necessary. | Mary Ann Gardner |
| Midas | Midas Sandy Springs 6560B Roswell Road NE Sandy Springs, GA 30328 http://6560broswellroad.midasatlanta.com/store.aspx?shopNum=3523 | (404) 255-7272 | For the past few years, we've been using the Midas in Sandy Springs on Roswell Road, just south of Abernathy Road. Here is a link to their web page. They often have coupons posted that have saved us money on work. I don't know that they specialize in any particular make. We've had them work on a Lincoln, a Ford, and a Nissan. | Mark Maisel |

| Tilly Mill Auto | 4401 Tilly Mill Rd Atlanta, GA 30360 | (770) 458-7344 | Tilly Mill Auto. At Tilly Mill and I-285/Peachtree Industrial. The owner is so nice and he is honest and very reasonably priced. He has owned that service station for over 30 years, and I have always been very pleased with their work. I just went there today to get my oil changed. Even though there were two other cars in front of me, he gave me priority since I was physically there and the others were drop-offs. I get my emmissions test done there as well | Sandy Strasberg |
| Tilly Mill Auto | 4401 Tilly Mill Rd Atlanta, GA 30360 | (770) 458-7344 | I agree with Danny @ Tilly Mill Auto. He is a very honest man and does a great job on both foreign and domestic car repairs. He is reasonable in price too. | Clara Tulusso |
