Sandy Springs Locksmith	http://www.therealsandyspringslocks.com/	404-256-3780	I will also recommend Sandy Springs Locksmith. I've never had them come to do work at our home, but all the times I've taken things to them (knobs to be re-keyed for example) they have done a great job. Tip for visiting their store. The street directly in front is usually pretty crowded and the parking lot is somewhat limited. Park in the shopping center below and walk up for easier access.	Jon Kiger
			I use the locksmith directly in front and across from Chamblee High School. I can't recall the name but I have had great results there.	Larry Fountain
