					Julia Olson	Did both my children's wisdom teeth-one just last week! Very kind and great office staff.
					Kimberly	I used Dr. "Mac" Whitesides for my son's wisdom teeth. He did a great job and when he thought he had a "dry socket" he saw him back immediately. Also, his insurance staff was outstanding and when my insurance tried to deny coverage the staff had a recording of the approval so it was very easy to "fight" their claim that it had not been approved.
Gail	Super great caring doctor and great staff. He is simply the best!
